Degrees claimed in the job application (even if they are not a requirement for the post) must be completed at the time of

the application.

UNDP only recognizes degrees and diplomas from educational institutions that have been recognized or otherwise approved by competent authorities at the time that they were obtained. Degrees requiring little or no actual course work, degrees awarded for payment of fees only, and degrees granting substantial credits for "lifetime achievements" or "life/work experience" will normally not be recognized. Incomplete degrees are unacceptable to UNDP, regardless of whether they are associated with a recognized higher educational institution.

A. List all educational institutions attended, including secondary school, and diplomas/degrees or equivalent qualifications obtained (highest level education first). Give the exact name of the institution and the title of degrees, diplomas, etc. (Please do not translate or indicate equivalent degrees).
