

Grand Duchy of Luxembourg

An Interactive Discovery

Available for free in French, German and English, the *Exploring Luxembourg* app provides a broad overview of the Grand Duchy of Luxembourg in all its diversity.

Each topic is explored in a clear and concise manner. The short texts are illustrated with photos, maps and interactive graphics. The numerous links provide more information and enable the user to return to the app easily. Available for tablets and smartphones, the app will be updated regularly to show the most recent data and news.
