## **Submission of Proposals**

#### Selection criteria

- Contribute to the implementation of the Sustainable Development Goals;
- Added value due to BPF co-financing;
- Neutrality (avoid market distortions);
- Mutual interest and shared responsibility between the partners;
- Demonstration effect and replicability;
- Respect of social, environmental and fiscal norms.

### **Partnerships**

Different types of partnerships can be established within the framework of the BPF. A minimum of two entities must be involved:

- The Luxembourg / European partner; and
- The local partner established in a developing country, which may be a private company, public entity, university, research institute or civil society organisation.

## **Objectives**

Contributing to sustainable development and inclusive growth in developing countries

Creating innovative and mutually beneficia partnerships between companies from Luxembourg and Europe and actors in the Soutl

2017 edition

# Foreword by the Minister

In September 2015, the 193 UN Member States adopted community's efforts to end extreme poverty, combat

private sector must also contribute to its success. It is only through local economic growth that developing far the largest source of employment in these countries. and expanding markets.

Companies in southern countries need expertise and

the Business Partnership Facility to support this new countries. Together we create innovative partnerships that simultaneously benefit our companies and those

Romain Schneider Minister for Development

### What is the BPF?

The BPF is a financing facility aimed at encouraging Luxembourg's and Europe's private sector to engage with partners in developing countries to implement sustainable business projects.

The facility has an annual budget of 1 million EUR to co-finance private sector initiatives that contribute to development and job creation in developing countries and/or transfers of technology.

Co-financing in the form of a grant may cover up to 50% of a project but may not exceed the maximum threshold of 200,000 EUR.

### Who does what?

Following the establishment of the BPF on 18 April 2016 by the Minister for Development Cooperation and Humanitarian Affairs in partnership with the Chamber of Commerce, the 2017 edition was launched on March 1st.

The Luxembourg Development Cooperation Agency, LuxDev, is mandated to manage the facility and to organise the call for applications from companies.

The selection committee responsible for evaluating received proposals is composed of members from:

- The Ministry of Foreign and European Affairs;
- The Ministry of Economy;
- LuxDev.

# Which sectors are eligible?

- Biohealth:
- Information and Communication Technologies (ICT);
- Fintech:
- Eco-innovation.

### Which countries?

The facility targets all developing countries. Countries where Luxembourg is already present will be prioritised:

- Africa: Burkina Faso, Cabo Verde, Ethiopia, Mali, Niger, Senegal;
- Asia: Laos, Mongolia, Myanmar, Vietnam;
- Central America: El Salvador, Nicaragua:
- Europe: Kosovo.
