

PRESS RELEASE

ICFA Luxembourg: the Expression of Interest is opened!

As of February 1st 2018, climate fund managers interested in applying for the support of the Climate Finance Accelerator Luxembourg (ICFA Luxembourg) are invited to raise their hands and make themselves known to the initiative by sending an email to info@icfa.lu.

Who can benefit from the support of the ICFA Luxembourg?

The Accelerator is dedicated to any Asset Manager who is willing to launch its first or second time investment vehicle and invest in projects that contribute to the fight against climate change and the transition to a low carbon economy.

How does the selection process works?

From February 1st to February 6th, 2018, fund managers are invited to express their interest in applying for the support of the Accelerator. Once considered eligible, they will be given the opportunity to formally apply for support. To find more about the full selection process, please click [here](#).

What are the Eligibility criteria?

In order to be eligible to apply for the support of the Accelerator, candidates must fulfill criteria pertaining to the fund manager itself, its fund concept and its investment policy. The full criteria are available online by clicking [here](#).

About the ICFA Luxembourg

The Climate Finance Accelerator is a joint initiative initiated by the Luxembourg government and private actors designed to offer assistance to innovative investment fund managers willing to invest in impactful projects to fight climate change. To know more about the initiative click [here](#).
